

Repair Request & Work Order Authorization Form

Customer Name: _____ Boat Name / Description: _____

I am authorizing Grey Lady Marine, LLC (GLM) personnel to perform work on my boat, trailer and/or engine and agree to pay all associated invoiced fees.

Standard fall and winter prep work includes pressure and acid washing the bottom of the boat, winterizing the engine(s), winterize all pumps and plumbing systems, general grease and lubrication, bleed and flush steering system as needed, disconnect and remove batteries, change oil, change fuel and oil filters, clean VST tanks as needed, remove and dispose of fouled fuel, check belts, check and replace thermostats as needed, check and replace water pumps as needed, check and repair electrical and pump systems as needed, check and replace fittings as needed (e.g. hinges, cleats, etc.) and shrink wrap.

If you prefer GLM to not perform certain tasks please submit a written request outlining the service items you wish to delete. If you would like us to perform any additional particular work or check specific items on your boat, make a note here:

Do not hesitate to call us if you have any questions or would like to discuss repair or maintenance on your boat.
